## We Remember

More than 150 years ago, Memorial Day took shape amid the backdrop of the U.S. Civil War. Before it ended, women began decorating the graves of fallen soldiers. In 1868, when May 30 was designated as Decoration Day, loved ones placed flowers on the graves of Union and Confederate soldiers alike.

By 1882, Decoration Day became known as Memorial Day, and soldiers who died in other wars were honored too. Over time, it became a day to remember all loved ones who have died — in war and otherwise. In 1971, Congress declared Memorial Day a national holiday to be observed on the last Monday in May. On Memorial Day, we pause to remember people who made the ultimate sacrifice for their country and for our freedom. We also pray for those who continue serving, especially those in harm's way.

## MITES COLLECTION NEXT WEEKEND

The monthly collection for Mites is NEXT WEEKEND, June 3rd & 4th. Did you know that it's not just coins—*checks and paper money are always welcome too!* Look for the big white and purple box, and please be as generous as you can. Even a small amount can make a big difference. If you're not attending in-person services, you can mail in a check and write 'Mites' on the memo line.
