

We want to hear the perspective of members, each and every one, submitted anonymously, so we can work on the "growth" aspect of our Vision Statement and ensure our congregation is both healthy and actively engaged with the needs of our membership and the broader community.

We ask that each member fill out this survey. Physical copies are available at the church and can be returned in the blue box labeled "Survey Responses" that you'll find in the lobby. You can also fill out the survey online by scanning the QR code below or by going to this website:

### WINGS Collection for Master's Manna Next Weekend, June 27 & 28

The school year is coming to an end.

That means

no more school lunches.

Food insecurity is a real and persistent problem for many local residents. Please help your neighbors to put food on their table by donating to WINGS next food collection to benefit Master's Manna.

Protein-rich foods like peanut butter, tuna, canned chili, beans, and soups are always a good choice. Pasta and rice are also good options.

**Please add Master's Manna to your shopping list this week.**

Outdoor worship begins next weekend.
