OUR VISION STATEMENT

Our congregation’s Mission Statement, being the purpose of our ministry, will never change. Our Mission Statement reflects our purpose as God has provided in the Great Commandment and the Great Commission.

Please use your gifts of discernment, strategic planning, and prayerful contemplation to help Zion develop a Vision Statement.

Please put your comments and recommendations into the white box marked Vision Statement in the conference room. We look forward to the upcoming work of Zion’s eight-member Vision Statement Team who will compile the input into several draft Vision Statement versions for the congregation to consider.
