Scarecrow
Bake Sale

Don't know what to make? A quick look online will provide lots of recipes & lots of treats don't require baking.

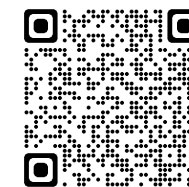

- Please use clear plastic containers for the treats. Plastic containers have been donated and will be available in the conference room this week.

- Please label items including main ingredients and anything that is not obvious, like a spice or flavoring.
- We also ask that if your item has nuts, to include that in your label.

If you are able to help decorating packages and setting up baskets and platters so that things are ready to go out Sat. morning, please come to church Friday, Oct. 16th 12:30 to 3:00 pm. If you are able to come early on that Saturday your help is needed to decorate the tables and lay out the baked goods. There is a sign up sheet on the bulletin board to let us know what you will bring. Please contact Janine Fagan if you have questions or need ideas at 203-843-3901.

Scarecrow Festival Headquarters

JUST ONE WEEK AWAY! Saturday, October 17

***There are many ways to help Zion
with this important event!***

Proceeds benefit **Fostering Family Hope**, a Wallingford non-profit whose goal is to help provide foster families with basic essentials, encouraging the growth of positive relationships within the children's family circles, and offering ongoing emotional support for their families. They recently moved and are now at 1211 South Broad St. in Wallingford.

Sign up to help out on that day. There is a sign up sheet on the bulletin board.

We need bags of individually wrapped candy (**no nuts, and no chocolate as it may melt**) to use as prizes for the scarecrow festival games. Donations can be left in the conference room marked for the scarecrow festival. Examples include Smarties, Tootsie Rolls, Swedish Fish, Twizzlers and Jolly Rancher. Candy should be appropriate for ages 2 to 12.

SCARECROW CLOSET WISH LIST

The Scarecrow Committee is replenishing the stock in our "make your own scarecrow" closet. Did you know that people come to our fair just to make their own scarecrow? It's fun to see how creative folks are with the pile of clothing and accessories we offer them.

Due to the size of the frames, clothing should be teenage or adult size. No children's size clothing, please.

Please leave your donations in the front classroom.
