

Enjoy a cup of coffee or tea and a goodie after church?

We would like to continue “coffee and” on the second Sunday of the month but need your help. Please sign up to host--2024 dates are listed on the sign up sheet. Don't let the coffee machine intimidate you--there is always someone available who knows how to work it! This is such a great opportunity for fellowship. If you are seated near visitors, you can introduce yourself and invite them to join us for a cup of “coffee and”.

Snow & Ice Removal

A very generous individual has been providing snow plowing and ice control services to Zion for many years.

The fuel, sand and salt needed to keep us safe during snowy and slippery weather is very expensive and will be needed again this coming winter. In gratitude for the services he provides, please consider making a cash contribution to help defray the costs.

Please put your contribution in the offering plate or the box, in an envelope marked Snow & Ice Removal. We would like to present the monetary gift by December 12th so all donations need to be in by **December 10th.**
