

**Planning Meeting
in support of
COSMIC COMMUNITY FAMILY DAY**

The Coalition for a Better Wallingford is holding their
“Cosmic Community Family Day” on our church grounds
on Saturday, August 17th.

Please join us on **Thurs., August 1 at 7:00 pm**

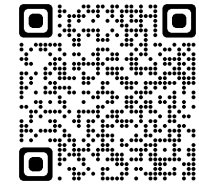

for a meeting with the Director of the Coalition for a Better Wallingford to discuss preparations for the Sat., Aug. 17 community event at Zion. We will learn about the logistics, activities and vendors that will participate. We will then discuss plans for our Church and Preschool tents at the event.

This is a great event to help make Zion Lutheran Church better known to the residents of Wallingford and surrounding towns, and to live our church mission statement: “To love, strengthen and support each other as God’s ambassadors sharing the Gospel message of salvation through Jesus Christ.”

The Coalition For a Better Wallingford Family Day is similar to our scarecrow festival. 250 children are expected to attend along with their families. There will be a bounce house, food trucks, vendors, and live music along with demonstrations by the Town of Wallingford Fire, Police and Education Departments. Zion will staff church and preschool tables at the event, and will give out popcorn and popsicles. Volunteers are needed to help meet & greet attendees and offer tours of our church and preschool. This is an opportunity to use the Meet & Greet Evangelism training Pastor provided and to distribute our new church brochure to interested people. **Please see the poster in the narthex and use the sign-up sheet to schedule your support.**
