Snow & Ice Removal

Pete Kennedy has generously provided snow plowing and ice control services to Zion for **TWENTY-FOUR YEARS**, at no charge to our church. Due to health issues, Pete will no longer be able to provide this service. This past winter was the last time he did this work for us.

The fuel, sand and salt needed to keep us safe during snowy and slippery weather is very expensive. In gratitude for the services he has provided for so many years, please consider making a cash contribution as a thank you to this generous man.

Please put your contribution in the offering plate or the box, in a special envelope labeled Snow Removal. The deadline to contribute is **September 3rd**.

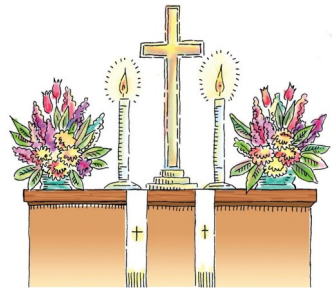

The following people signed up for altar flowers or the eternal light in the coming weeks. **Thank you** to everyone who has signed up and especially to those who have already submitted an envelope with their information.
