**Hosts needed for
“Coffee and”**

**Upcoming dates include
Nov. 24 & Dec. 8**

“Coffee And” is an excellent way to promote fellowship - that is, shared participation within the community, an opportunity to support each other in our walk with Christ; the benefits are the love and support we receive from others.

Keep it simple--this is not meant to be a meal but a time to visit with each other after Service. It is the perfect opportunity to invite the visitor sitting near you to join us and introduce them to others.

Please check the sign up sheet and add your name to an open date or two! Dates are flexible if you have a special occasion in mind.

I would like to thank all the Zion women who gave of their time to make the burp cloths, and to all who donated supplies for this project. I also appreciate Pastor's blessing of the burp cloths that will be given to the Birthright newborns. Many hands working together made 97 burp cloths which is absolutely amazing! Thanks again for your generosity and kindness for these little ones.

Please Support Our Wonderful Preschool!

We completely understand that there never is enough money to support all the important causes that need it. These programs make supporting our school and religious education easy.

MCM Ship to Home Fundraiser: Starts November 4th through 18th. Delivery of all items is guaranteed by December 18th. Items include popcorn, beef jerky, coffee, cookies, nuts, goat milk soap, and much more. All proceeds of this fundraiser are for social/emotional and religious materials. Items on the wish list include books, flannel board stories, emotion games/puppets, games, and curriculum enhancements. Look for order forms on the bulletin board in the lobby.

Raise Right Gift Card Fundraiser: We are excited to announce a year-long fundraising campaign. The funds raised will help offset family events and special days as well as replace educational materials. If you purchase a gift card (physical or e-card) for a set amount, you are only charged that amount, but the school makes money through a rebate. The amount varies from card (company) to card (company) and there are specials offered throughout the year. It will not cost you anything! If you buy a grocery gift card for \$50, you can use it to buy your groceries totaling \$50. The nice part is the school earns a percentage as a fundraiser. Easy and helpful!
